

**Management and Operating Contract for the Thomas Jefferson National Accelerator Facility  
(TJNAF)**

**Solicitation Number: 89243024RSC000007**

**Questions and Answers  
(12)**

12. Question: Please provide more details on the specific methods or software tools the Offerors should use to ensure that their text, tables, diagrams, charts, and other graphic illustrations are searchable for the Source Evaluation Board's (SEB's) key word search during proposal evaluation?

Answer: *Section L of the RFP requires that files submitted through FedConnect must be submitted in a searchable and printable PDF format. Questions regarding PDF functionality should be submitted to the manufacturer of the software being used.*
