

ARDAP Annual Funding Opportunity Announcement / DE-FOA-0003253 / Office Hours FY 2024 Research Opportunities in Accelerator Stewardship and Accelerator Development

1/12/2024

We are pleased to announce Office Hours for the FY 2024 ARDAP annual FOA:
Wednesday, January 24, 2024 from 3:00pm-4:00pm Eastern Standard Time
Wednesday, January 31, 2024 from 3:00pm-4:00pm Eastern Standard Time

Please note also there is a Frequently Asked Questions document posted at
<https://science.osti.gov/-/media/grants/pdf/foas-resources/2024/2024-ARDAP-FOA-FAQs.pdf>

Is attendance required? May I contact you at other times to discuss the FOA?

- Attendance is NOT required. You may contact FOA program managers at other times.

What can I ask about during office hours?

- Background questions like: What are the aims of the program? How do we know if our topic is important to the stakeholders?
- Clarification questions like: Can you explain what FOA instruction “ABCD” means? Can you give me an example? What are the general characteristics of successful proposals?
- While we will give priority to questions about DE-FOA-0003253, we will be happy to discuss the ARDAP program and other FOAs supported through the ARDAP program.

What can't I ask about or discuss during office hours?

- As with all open FOAs, we cannot give technical advice about specific proposal ideas. Questions of the form “I plan to propose XYZ, would that be successful?” will get a non-specific answer based on the aims of the program.
- Please don't “pitch” a particular proposal idea or advertise your institution's capabilities.

How do I connect to the office hours?

- Connect by Zoom (information below).
- *As a courtesy to other participants, please mute your microphone when not speaking.*
